HART SCHAFFNER & MARX and other reputable makers are the contributors.

The prevailing fabrics for this season are worsteds, cassimeres, chevots, and serges. The combinations are multitudinous—grays, greens, blues in every conceivable shade being found, besides solid colors, in blues and blacks, which are as much sought as ever.

Hart Schaffner & Marx lay especial emphasis on the extreme care with which they select their fabrics. Only pure wools will wear true and hold their shape, and only pure wools do they use. Equal care is used in the selection of linings and trimmings, only the best being considered consistent with the Hart Schaffner & Marx label.

IN THE SOCIAL WORLD

Mrs. Taft Watches Work of the Senate.

DINNER TO VISITING JAPANESE

Miss Mabel Henry Triplett the bride of Capt. Russell B. Putnam, U. S. M. C.—Mr. Leon E. Morales and Miss Gladys E. Linley-Kent married—Mrs. C. A. Spalding returns.

Mrs. Taft, accompanied by her two sons, Robert and Charles, and Capt. Archibald Butt, military aid at the White House, spent yesterday morning at the Capitol, in the Senate gallery, one of the most interesting spectators, and, incidentally, one of the most intelligent.

Mrs. Taft has the affairs of state and politics at her fingers' end, and has a clearer understanding of such than nine-tenths of the women of a hundred. She spent the afternoon shopping, accompanied by her younger son, Master Charles. They drove out in the open victoria, drawn by a pair of handsome dark chestnut horses perfectly matched, and the men on the box were both white and clean shaven, with dark liveries. Mrs. Taft wore a cloth coat suit of dark gray, with a small gray toque of soft straw.

The Secretary of State entertained at dinner last evening in honor of Mr. Hikojiro Wada, director general to this country of the Tokyo Exposition, and Mr. Tokutomi Sakai, one of the Imperial Japanese commissioners of the exposition. The guests asked to meet them were the Attorney General, Mr. Wickersham; the Japanese Ambassador, Baron Takahira; Senator Lodge, Senator Root, Senator Money, the First Assistant Secretary of State, Mr. Huntington Wilson; the Second Assistant Secretary of State, Mr. Adee; the Third Assistant Secretary of State, Mr. William Phillips; Dr. Takamine, president of the Nippon Club of New York; Representative David J. Foster, Rear Admiral Sperry, Mr. Francis B. Loomis, Mr. F. D. Millet, Mr. John Callan O'Laughlin, and Mr. Wilbur J. Carr.

Mr. and Mrs. G. S. F. Triplett, of Jefferson, Va., announce the marriage of their daughter, Mabel Henry, to Capt. Russell B. Putnam, assistant paymaster, U. S. M. C. The ceremony was performed yesterday afternoon by Rev. J. H. Nelms in the home of Mr. George E. Elliott, mother, on Capitol Hill, at 4:30 o'clock. Only the members of the immediate families were present. Owing to the illness of the bride's father she was given in marriage by Maj. Gen. George E. Elliott, commander of the Marine Barracks, in this city. Immediately after the wedding the bride and bridegroom left for San Francisco, from whence they will sail on April 10 for Manila, where the bridegroom will be stationed. Although the engagement had been announced and the marriage planned to take place next fall, the wedding of yesterday was quite sudden, owing to the earnest desire of Capt. Putnam to take his bride with him to his far-off station. Capt. Putnam is an intimate friend of Capt. Harry Leonard, who is so well known and popular in Washington society, and who is now stationed in Portsmouth, Va., and because of this close friendship Mrs. Leonard desired the wedding to take place at her home.

Lieut. Commander Leigh C. Palmer, U. S. N., has been designated to succeed Lieut. Commander W. S. Sims as naval aid to the President. Lieut. Commander Palmer was one of those who represented the government at the wedding of King Alfonso of Spain, and has recently returned from the round-the-world trip of the Atlantic fleet. He was said to Rear Admiral Potter, on the Wisconsin.

Mrs. Charles A. Spalding, who spent the Lenten season at Atlantic City, has joined Mr. Spalding at their home in Rhode Island avenue. After Easter Mrs. Spalding will return to Atlantic City, where her brother, Commander Culver, is recuperating from a long illness.

A pretty wedding took place at the residence of Mr. and Mrs. J. D. Chamberlain, at the Stanhope, on Wednesday evening last at 7:30 o'clock, when Leon E. Morales, formerly of Berryville, Va., and Miss Gladys E. Linley-Kent, of Washington, were married by Rev. George F. Dudley, of St. Stephen's Church. The bridegroom is connected with the Bureau of Standards. The bride was attired in white silk, and carried a bouquet of white roses. She was given in marriage by her uncle, Mr. W. H. Linley-Kent, of Newport News, Va. The best man was Mr. R. Linley-Kent, brother of the bride. The bridesmaids were Miss Ruby Johnston, who wore pale blue satin, and Miss Hazel Truax, who wore a handsome gown of silk mull.

The parlor and dining-room were attractively decorated in white and green. The happy couple will be at home at 2707 Eleventh street northwest, after April 15.

Mr. W. H. Linley-Kent, of Newport News; Miss Elizabeth Young, of Oyster Point, Va.; Miss Hazel Truax, of Trenton, N. J.; and Mr. R. Linley-Kent, of North Carolina, were the out-of-town guests. Those of this city in attendance were Mr. Julian Morales, sc. of the bridegroom; Mrs. Margaret Kent Morales, sister of the bride; Mrs. M. D. Chamberlain, Misses Carrie and Ida, and Messrs. Taylor and Frank Morales, sisters and brothers of the bride; and Mr. J. D. Chamberlain and Messrs. Fred and Maurice Chamberlain, Miss Ruby Johnston, and Miss Maude Jones, Masters J. Aubrey Morales and Milton B. Chamberlain.

Miss Belle Gordon, who has been spending the winter with her aunt, in Tenth street northwest, has returned to her home, 2 Eighth street northeast.

Mrs. Robert H. Thomas, who has been spending the winter months in the city, will leave Washington to-day for her country home in Mechanicsburg, Pa.

Mrs. Hope Slater entertained at dinner last evening.

WIFE SEEKS SEPARATION.

Joseph O. Harvey Accused of Cruelty by Spouse.

Joseph O. Harvey, an employe in the tobacco store of George W. Cochran & Co., 1115 Pennsylvania avenue northwest, was made defendant in a suit for legal separation and maintenance, filed in the District Supreme Court yesterday by Laura V. Harvey.

Mrs. Harvey says she was married to the defendant in Washington on September 23, 1896, and that she has been forced by his cruel treatment to leave him. In May, 1907, she says, she was awarded \$10 a week by the Juvenile Court, but she declares her husband is making the payments irregularly. She says he is earning about \$100 a month.

Mrs. Harvey asks the court for the custody of two minor children. She is represented by Attorney J. C. Howard.

CARDINAL ATTENDS LECTURE.

Hears the Rev. Father Pace Define Basis of Religion.

Defining religion as an anchorage for the human mind, and not as a casquet of truth vouchsafed by Divine revelation, Rev. Father Edward A. Pace of the Catholic University, last evening interpreted psychology as it has molded the dogma and ritual of the Roman Catholic Church.

The most distinguished prelate in this country, Cardinal Gibbons, wearing the symbol of his rank, the red hat, attended the event, which was held at Hauscher's.

The cardinal heard the lecture with the keenest interest, and frequently rewarded the earnest young priest with a manifestation of approval.

At Cardinal Gibbons' right sat Father Russell, pastor of St. Patrick's Church, formerly the cardinal's secretary in Baltimore. The cardinal chose a point of vantage in the front row, directly facing the podium, and his entrance was the signal for a ripple of applause, the entire audience standing.

The lecturer referred briefly to the relation of psychology to the two remaining doctrines of Christ, faith—the immortality of the soul and the freedom of the will. The argument for each tenet was elaborate.

The lecture closed the Lenten series which Father Pace has been conducting upon "Psychology." Cardinal Gibbons congratulated him at its conclusion, and the audience pressed forward to express its appreciation.

VANDERBILT WINS A PRIZE.

Team of Grays Get Winans Cup at Paris Horse Show.

Paris, April 5.—The horse show at the Grand Palais was crowded with spectators to-day, interest being centered in the competition of four-in-hands, for which M. Anchorena conferred a cup worth 2,000 francs for the best team suitable for park work, and Walter Winans offered a similar prize for the best team for road work.

A. G. Vanderbilt's team of grays won the latter prize, and M. Yturbe's team the former.

M. Winans gave an exhibition drive with his chestnuts with white feet, gaining much applause, but he was not entered in the competition. The seventeen competitors included D'Albert, Lake, Anchorena, with two teams; Mme. Del Erido, Baron de Marchi, Baron Dorado, Count Potocki, Prince Constantin Radziwill, with two teams; Miss Rosa, and Count d'Yanville.

MRS. SMITH IS HOST

Entertains Illinois State Republican Association.

CANNON'S PICTURE IS DRAPED

Hangs on the Wall Adorned by American Flags, but the Speaker Does Not Appear—Gus Milburn Performs in Legerdemain and a Bevy of Pretty Girls Serve Refreshments.

Mrs. Electa Smith was the hostess of the Illinois State Republican Association at a reception and entertainment last night in Legion of Loyal Women Hall, 419 Tenth street northwest.

Songs were sung relating the glories of the Prairie State, and as the final number of the programme a bevy of pretty girls brought in refreshments and a social hour was enjoyed.

At the annual business meeting, which preceded the entertainment, the following officers were re-elected for the coming year: W. H. Richardson, president; Noble N. Poole, first vice president; Mrs. Electa Smith, second vice president; I. C. Stockton, secretary; and H. M. Vandervoort, treasurer. Mrs. Smith, H. H. Martin, L. B. Stine, Capt. L. M. Kelly, and W. H. Richardson were chosen a committee to place a floral tribute on the grave of Gen. Logan at the Soldiers' Home on Decoration Day.

League Delegates Named. R. Stone Jackson, Isaac R. Hill, Jr., and H. H. Martin were named delegates to the League of Republican Clubs.

The business session then adjourned, and Mrs. Smith was conducted to the platform, where she watched Mr. Stine preside for her over the numbers that followed. He read letters expressing disapproval at being unable to attend from Speaker Cannon, of the House of Representatives; Senator and Mrs. Cullom, Representative Loudon, Representative McKinley, Thomas J. Henderson, J. E. Ralph, director of the Bureau of Engraving and Printing, and Samuel H. Greene.

On the platform were photographs of Speaker Cannon and Senator Cullom, draped with American flags. A sweet soprano tone solo, "I Know a Lovely Garden," and "Where the Heart Is," she was accompanied on the piano by Mrs. T. E. Highfield.

Gus Milburn, known to the slight-of-hand profession as "Mysterious Milburn," did some clever tricks. He was followed by Mrs. N. N. Potts, who sang "The Red, White, and Blue." The final number was the singing of "Illinois" by Col. George C. Ross, accompanied by Mrs. Grace Van Casteel.

Assisted in Receiving.

Assisting Mrs. Smith were Mrs. E. L. Watkins, Mrs. H. M. Vandervoort, Mrs. S. W. Martin, Mrs. E. A. Macomber, Mrs. Nettie Curran, the Misses Mabel Kent, Gertrude Moore, Nellie Handley, Louise Carr, Cummings, Grace Green, Grace Hayes, and Caroline Bosley, and L. B. Stine, H. M. Vandervoort, R. S. Rankin, and Col. J. W. De Grange.

J. E. HERRELL'S WILL FILED.

Greater Part of \$700,000 Estate Is Held in Trust.

In a petition for the probate of the will of the late John E. Herrell, president of the National Capital Bank, filed yesterday by the American Security and Trust Company, named as executor, the estate of the deceased is estimated at \$700,000. Mr. Herrell died on March 30 last. His will is dated June 22, 1903.

After bequeathing his library to his grandson, Harvey Cole; \$5,000 to Bertha B. Herrell, \$1,000 each to Annie E. Ward and Fannie Dyer, and \$200 to Margaret Herrell Allen Sharp, the testator devised the remainder of his estate to the American Security and Trust Company, to be held in trust. The company is instructed to pay to his daughter, Phoebe E. Cole, during her life, in quarterly installments, one-half the net income of the estate. The other half is to be used for improvement of unproductive property, or to be invested at the discretion of the trust company. The estate is to be distributed among the grandchildren when the youngest child, after the death of Mrs. Cole, reaches majority.

Justice Wright admitted the will to probate, with the consent of Mrs. Cole.

D. A. R. INSURGENTS MEET.

Perfect Plans for Strenuous Fight in National Convention.

Assembled in secret session, the "insurgent" faction of the Daughters of the American Revolution last night completed details for the strenuous fight to be made when the convention meets on April 17.

It is understood the committee revised its list of vice presidents general and also prepared a statement to be published later regarding the qualification of its candidates.

The vice presidents selected are to oppose those vice presidents general of the administration who are eligible for reelection. Miss Mary Desha, recognized as the District leader of the anti-administration contingent, presided. She is expected to divulge the name of the "dark horse" who is to receive the support of the anti-McLean faction for president.

Speaking of the opposition manifested against the radical or administration forces, one of the insurgent leaders last night said:

"We intend to oppose Mrs. Scott or any other candidate selected by the McLean people, because Mrs. Amos Draper is to be second on the ticket. We represent the conservative branch of the organization, and do not intend to submit to the usurpation of all the offices by the other faction."
